By the Statute, 20th Vict., c. 10, the laws for regulating the quartering of soldiers in England have been extended to Scotland. It is enacted that no officer or soldier shall be billeted in any private house, but they are (with some exceptions) to be billeted in Victualling Houses, Inns, Hotels, Livery Stables, Ale-houses, and the Houses of Sellers of Wines by retail, whether British or Foreign, to be drunk in their own houses, or places thereunto belonging; and in all houses of persons selling Brandy, Spirits, Strong Waters, Cider, or Metheglin, by retail; and they shall be received by the Occupiers of the Houses in which they are so billeted, and be furnished by such Victuallers with proper accommodation in such houses, or if any Victualler shall not have sufficient accommodation in the House upon which a Soldier is billeted, then, in some good and sufficient quarters, to be provided by such Victualler in the immediate neighbourhood:—and all Innholders and other Persons on whom Soldiers may be billeted, except when on the march and entitled to be furnished with the hot meal, shall furnish such Soldiers with a bed and with candles, vinegar, and salt; and shall allow them the use of fire, and the necessary utensils for dressing and eating their meat; and shall be paid, in consideration thereof, the sum of four pence *per diem* for each soldier; but no Officer shall be compelled or compellable to pay anything for his lodging, where duly billeted. It is also enacted, that if any person, liable by this Act to have any Officer or Soldier quartered upon him shall refuse to receive and to afford proper accommodation to such Officer or Soldier so quartered, and to furnish the several things directed to be furnished to officers and soldiers he “shall forfeit, for every such offence, neglect, or refusal, any sum not exceeding Five Pounds, nor less than Forty Shillings.”

INLAND POSTAGE REGULATIONS.

Letter Postage.

The rate of postage on all inland letters is regulated by weight, irrespective of distance, and (with the exceptions afterwards mentioned) is as follows. *if paid in advance* :—

Letter weighing not more than $\frac{1}{2}$ oz.	1d
" " more than $\frac{1}{2}$ oz., but not exceeding 1 oz.	2d
" " more than 1 oz.,	"	"	2 oz.	4d
" " more than 2 oz.,	"	"	3 oz.	6d

and so on, twopence being charged for every additional ounce.

As a general rule, the postage, if not paid in advance, is double the foregoing; and, if the payment in advance be insufficient, double the deficiency is charged.

There is no limit to the weight of paid letters, but unpaid letters must not exceed 4 oz., and no inland letters or packets must exceed 24 inches in length, breadth, or depth. The only *exceptions* to these regulations are in the case of—1. Parliamentary Proceedings, or Addresses to Her Majesty—2. Petitions to either Houses of Parliament, forwarded to any Member of such House without cover, or in covers open at the ends—3. Printed votes or proceedings of Parliament—4. Letters or packets to or from public departments or public officers in her Majesty's Service—5. Letters, &c., to or from places abroad.

If the Stamps affixed to letters are mutilated or defaced, the letters will be liable to the unpaid rate.

A Stamp which has been cut from an envelope and affixed to a letter, entitles it to pass free of charge.

Re-directed Letters are charged an additional postage for each re-direction, according to the Prepaid Scale.

When the value of Stamps on a letter is less than the amount of the postage to which it is liable, the letter will be charged double the amount of such difference on delivery, but letters exceeding in weight four ounces, on which three quarters at least of the postage is not prepaid, will be charged with *double* the amount of *the difference between the stamps affixed and the prepaid rates*, and be either detained and opened, and returned to the sender, or forwarded at the option of the Postmaster General.

All persons sending letters by the Post unpaid, which, from any cause whatever, cannot be delivered to the parties to whom they are addressed, are liable to pay the postage charged thereon, which may be recovered, with costs, by summary proceedings before a magistrate.

By the 1st Victoria, cap. 36, sec. 2, any person illegally conveying Letters, incurs a penalty of £5 for every offence, and £100 for every week the practice is continued. The sender also incurs a penalty of £5 for every offence, with full costs of suit.

Periodical Publications, including Newspapers.

Periodical publications, including Newspapers, published in the United Kingdom, at intervals not exceeding thirty-one days, and which bear an impressed stamp or stamps denoting the stamp duty (of the kind formerly confined chiefly to Newspapers) may be transmitted or re-transmitted through the post within the United Kingdom free from postage, under the following regulations, viz :—

They are subject to the same restrictions, with regard to the number of sheets and superficial extent, as were lately applicable only to Newspapers, properly so called. These restrictions are shown in the following table :—

Amount of Stamps impressed on the Publication	Maximum Number of Sheets.	Maximum Superficial Extent of Letterpress on one side.
One Penny.....	Two.	2,295 inches.
Three Halfpence.....	Three.	3,443 „
Twopence.....	Four.	4,591 „

The impressed stamp on each publication must be at least of the value of one penny.

The title and date must be printed at the top of every page.

The publication must be folded so that the whole of the stamp or stamps, denoting the full duty, shall be exposed to view; and when, in the same cover, there are more than two, it will be sufficient if they are so arranged as readily to admit of examination.

The publication must not be printed on pasteboard or card board, or on two or more thicknesses of paper pasted together, nor must any pasteboard, card board, or such pasted paper be sent with it as a back or cover thereto, or otherwise.

It must be posted within fifteen days from the date of publication.

It must either have no cover, or a cover open at the ends.

It must contain no enclosure.

No mark or writing is allowed but the name and address of the person to whom it is sent, nor anything on the cover but such name and address, the printed title of the publication, and printed name and address of the publisher or vender who sends it.

If addressed to any one within the free delivery of the place where it is posted, a postage stamp—1d., must be affixed.

Unstamped publications, or stamped publications, which have been issued more than fifteen days, can be forwarded within the United Kingdom, and to the Colonies, under the regulations of the Book Post.

Newspapers and other Periodicals, published in the Islands of Guernsey, Jersey, Alderney, Sark, Isle of Man, will be subject to the same regulations as those which are published in other parts of the United Kingdom.

Registration of Letters, &c.

By the prepayment of a fee of Sixpence (which must be made not in money, but by affixing stamps) letters, books, or other packets paying *ordinary* postage may be registered. This will make their transmission more secure, by rendering it practicable to trace them from their receipt to their delivery.

Book Postage.

	Not above 4 oz.	...	1d.
Above 4 oz.	...	8 oz.	2d.
... 8 oz.	...	16 oz.	4d.

It may contain any number of separate books or other publications, prints or maps, and any quantity of paper parchment, or vellum, either printed, written, plain, or any mixture of the three; together with whatever is necessary for the safe transmission of literary matter, or usually appertains thereto; to the exclusion of letters or any enclosure sealed or otherwise closed against inspection, or any letter or any communication of the nature of a letter written in any such packet or on its cover. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.

If a packet be not sufficiently prepaid with stamps, but nevertheless bear a stamp of the value of one rate (1d.) it is forwarded, charged with the deficient book postage, together with an additional rate of a penny, but any packet which bears no postage stamp is charged with the "unpaid" letter postage.

COLONIAL BOOK POSTAGE.

At the following charges, and on the same conditions as the foregoing (except that no packet weighing more than three pounds can be sent to the East Indies or to New South Wells, and that no book-packet can be sent direct to any other part of Cape Colony than Cape Town, Port Elizabeth, and Mossel Bay), book-packets can be forwarded to every British Colony.

To India, Ceylon, New South Wales, Victoria, Tasmania (Van Diemen's Land), South and Western Australia, New Zealand, Mauritius, and Hong-Kong the charge is as follows:—

	Via Southampton.	Via Marseilles.
Weighing not more than 4 oz.	4d.	6d.
" more than 4 oz. but not exceeding 8 oz.	8d.	1s. 0d.
" " 8 oz.	"	"	"	1 lb. 1s. 4d.	2s. 0d.
" " 1 lb.	"	"	"	1½ lb. 2s. 0d.	3s. 0d.

and so on; two rates being charged for every additional half-pound or fraction of a half-pound.

Charges to every other British Colony:—

Weighing not more than 4 oz.	3d.
" more than 4 oz. but not exceeding 8 oz.	6d.
" " 8 oz.	"	"	"	1 lb.	1s. 0d.
" " 1 lb.	"	"	"	1½ lb.	1s. 6d.

and so on; 6d being charged for every additional half-pound or fraction of a half-pound.

FOREIGN AND COLONIAL NEWSPAPER REGULATIONS.

Newspapers sent abroad are liable to the same regulations as Newspapers circulating (under the Newspaper privilege), through the United Kingdom, except that, before going abroad, the name of the Newspaper must have been registered at the General Post Office, and that instead of requiring to have an impressed stamp, each Newspaper, if sent to a British Colony, is liable to a postage of one penny (which must be prepaid by a postage label or in money), together with an additional postage (as shown in the Table of Colonial and Foreign postage) when the Newspaper has to pass through a foreign country. In all cases of Newspapers going abroad, the impressed stamp stands for nothing.

RATES OF POSTAGE OF FOREIGN AND COLONIAL LETTERS, &c.

For Explanations, Exceptional Rates, &c., see page 71. The following Tables are subject to alteration during the Year.

When the day of dispatch at London falls on a Sunday, letters require to be posted here a day earlier.

DISTANCE TO WHICH THE POSTAGE CARRIES THE LETTER, &c.—a The letter a prefixed to any division (as that of Letters or Newspapers) shows that the postage there entered does not carry the Letter, &c., from the place where it is posted in the United Kingdom entirely free to

its place of destination, but that it is liable to a further charge upon delivery.

B. The privilege of the Book Post to and from India and New South Wales is limited to packages not exceeding 3 pounds in weight. Any package weighing more than 3 pounds, is liable to the Letter Rate of Postage.

G. U. According to the regulations of the German Customs' Union, no Letter exceeding 50 grammes (a little more than $1\frac{1}{2}$ oz.) in weight, and containing any other enclosure than paper, can be allowed to circulate by the post. Any Letters, then, forwarded in the Mail to Prussia, above that weight, and containing any other enclosure than paper, will be liable, on their arrival at the Prussian frontier, to be stopped, and sent to the Custom House for delivery as *freight*.

ROUTES.—When the route by which a Letter, &c., is to go is not marked on it, it will, under ordinary circumstances, be sent by the route immediately following the name of the place.

Non-commissioned officers, private soldiers, or seamen serving abroad, can receive letters for a postage of 1d, provided the letter weigh not more than half-an-ounce, the postage be prepaid, and the direction distinctly specify the rank or class of the soldier or seaman, and the ship or regiment to which he belongs; but if any such letters have to pass through a Foreign Country they are subject in addition to the Foreign Rates.

And so on, 6d. additional for every subsequent 8 ounces, or fraction of 8 ounces.

Periodicals not of daily publication, issued in the shape of pamphlets, may be sent to Bremen, Hamburg, Holland, Prussia, and the United States at the following rate, which must be prepaid; not exceeding 2 oz., 1d.; 2 oz., and not exceeding 3 oz., 6d.; 3 oz., and not exceeding 4 oz., 8d.; with an addition of 2d. for every additional ounce up to 16 ounces, above which weight the privilege does not extend; and, at the same rate of postage, pamphlets, even though they are not periodicals, may be sent to the United States, if not exceeding 8 oz. Other printed books to those places are liable to letter rate of postage.

REGISTRATION OF LETTERS, &c.—The fee chargeable for registering a letter, in addition to the ordinary postage, both of which must be prepaid, will be found against each country in table of Colonial and Foreign Postage.

¶ Where this sign is made use of in the columns of Registration Fees in the Table of Colonial and Foreign Postage, it signifies that the letters can only be registered with certainty to the Port of Dispatch.

STAMPS AND MONEY, NEWSPAPERS AND BOOK PACKETS, must always be prepaid in stamps; the prepayment of Letters outwards (that is, from this country to places abroad) may be made in money or in English postage stamps.

WARM CLIMATES.—The practice of Sealing Letters passing to and from the East and West Indies, and other Warm Climates, with Wax (except such as is specially prepared) is attended with much inconvenience, and frequently with serious injury to the Letters, in consequence of the melting of the wax, and adhesion of the Letters to each other; the public are therefore recommended, in all cases to use wafers in preference to wax in securing their Letters sent to India, or other warm climates, and also to advise their correspondents in those countries to pursue the same course.

LIST OF POST TOWNS IN SCOTLAND, INCLUDING ORKNEY AND SHETLAND.

Explanations.

When in the subjoined List *two* places are mentioned, the first is only a sub-office, and the second is the Head Office to which the first is subordinate.

In all cases the figures after a place show its distance in miles from the sub-office.

With few exceptions, all Head Offices are Money Order Offices, but sometimes there is a Money Order Office nearer to the Sub-office than is the Head Office. In these cases such Money Order Office is added as a *third* name, for the information of any person who may wish to remit money to the neighbourhood.

As regards *Town Receiving* Offices those only are entered at which Money order business is transacted; and these will be found under the names of the respective Head Offices.

Each Money Order Office is distinguished by an *.

The last word in the Address of every letter, &c., should be the name of the town to which, or near to which, the letter is sent; except when the Post-Office at that town is only a sub-office, in which case the Head Office to which this Office is subordinate must be added; and except also that where there are two Post Towns of the same name the county must be given.

LIFE ASSURANCE.

THE system of the NORTH BRITISH INSURANCE COMPANY combines the benefit of Mutual Assurance with the safety of a large Protecting Capital, and affords all the facilities and advantages which can prudently be offered by any Life Assurance Office.

ADVANTAGES OFFERED BY THIS COMPANY.

1. Nine-tenths (90 per cent.) of the Profits, or, in other words, the whole of the Profits arising from the Life Business, after setting aside one-tenth for the guarantee, are divided among the Assured entitled to participate.
2. Bonuses may be added to the sum assured, or surrendered for a cash payment, or applied to the reduction of the future Premiums.
3. A Prospective Bonus of one per cent. per annum is allowed on Policies which have subsisted for five years, which may become claims previous to the next Investigation in 1865.
4. The sum insured may be made payable at any given age, or at death, if it occur previously.
5. An ascending scale of Premiums, whereby Policies may be effected at the lowest possible rates.
6. On Insurances for the Whole Period of Life, half the Premium may remain on credit for the first Five Years, or one-third during the convenience of the party assured.
7. No Extra Charge for residence in British North America, the Cape, Australia (excluding the Diggings), New Zealand, Port Natal, and parts of the United States, and no licence required except for the voyage.
8. On proof of age, and by special application, Policies are declared unchallengeable from and after the expiry of Five Years from their date, and parties, on receiving a licence, may go to any part of the world without incurring the forfeiture of their Policies—thus making the Policies of the Company good marketable securities.
9. Advances made on Policies, to the extent of the security they afford, when the value amounts to £50 and upwards.
10. No Entry Money or other charge. Policy Stamp paid by the office.

NEW AND IMPORTANT ADVANTAGES.

To meet the exigencies of parties, and to render the benefits of Life Assurance more generally available, the Directors have adopted the following new and important principles:—

1. Application of Profits to the Purchase of an Annuity.

By this system a party not only secures the payment of the sum in the event of his death before 65, but at his option he may convert the Policy with its Bonuses into an equivalent Annuity commencing at 65.

2. Half Premium System.

By which a party may secure all the benefits of the Half Credit System without any debt being incurred.

3. Double Insurance System.

By which, for a moderate uniform Premium, a Policy may be secured, which will increase each year until, in 20 years, the sum in the Policy is doubled. This system is particularly advantageous to young lives.

For further explanation of these new principles, and for the Rates applicable thereto, see the Company's Prospectus.

ANNUITIES.

1. IMMEDIATE ANNUITIES are granted on favourable terms.

2. DEFERRED ANNUITIES, to commence at any specified age, may be secured, either with or without return of Premium.

3. SURVIVORSHIP ANNUITIES may be secured with or without return of Premium.

REVERSIONARY INTERESTS.

The Company are ready either to purchase Reversionary Interests and Life Rents, or to make advances on them to the extent of the security they afford.

FIRE INSURANCE.

The Company INSURES against FIRE—Silk, Cotton, Woollen, and Flax Mills, Buildings of all descriptions, Furniture, Stock in Trade, Merchandise, Agricultural Stock, Implements of Husbandry, and effects of every kind, at the lowest rates of premium corresponding to the risk.

Farming Stock is insured without the Average Clause, and loss and damage by Lightning thereon made good.

No charge is made for Policies when the sum insured amounts to £300, or for Transfers from other Offices.

Insurance for seven years charged for six years only.

Losses settled with promptitude and liberality. A duty of 3s. per cent. per annum on all property Insured from Fire in Great Britain and Ireland is payable to Government, with the exception of Farming Stock and Public Hospitals, which are exempt.

The Company holds itself responsible for damage done by explosion of Gas, such explosion taking place within buildings on or in which this Company has insurance, without extra charge.

Prospectuses, containing Tables of Rates and every other information, may be had at the Head Office in Edinburgh, or at any of the Company's Agencies in the country.

Life Department.

THE POLICIES, now in course of being issued by this Company, are free from all unnecessary restrictions, and secure every advantage derivable from the system of Life Assurance.

The Premiums are strictly moderate.

The Participation Scheme was begun in 1840; and the oldest Policies for £1000, in connection with it, now becoming claims, are increased to £1271 19s. 1d.; those for larger or smaller sums being proportionally augmented. Bonus additions may be surrendered for their value in cash, or an equivalent reduction of future Premiums; the assured having their choice in all cases.

It is provided by the Company's Act of Incorporation that Investigations shall take place at Intervals, not exceeding five years; and intermediate Bonuses being allowed when Policies, interested in one Investigation, become claims before another, advantages similar to those claimed for Annual Investigations are enjoyed.

The Business in the Participation Department has been greatly extended within the last few years.

Prospectuses, with every information, may be had on application at any of the Offices or Agencies of the Company.

LIFE DEPARTMENT

The Accumulated Premiums are over £1,600,000, and the Annual Income exceeds £184,000.

Bonuses have been declared on Policies to an amount greater than the sum originally assured.

Premiums have been extinguished, where the parties assured have applied the Bonus in reduction of the Annual Premium.

At the valuation up to Christmas, 1854, there existed a Surplus of £268,691—the whole of which belonged to the Policy Holders. A valuation is now being made up to Christmas, 1859

The next valuation will be made up to Christmas, 1864. *Policies on the Participating Scale*, in England or Ireland *r. sp. ctively*, which may be effected before that date, will, if the parties be then alive, participate in the surplus in proportion to the time they may have been in force.

The sum of £3,130,975 has been paid during the existence of the Office for claims under Life Policies, of which amount a very considerable part was for Bonuses.

Persons assuring in Great Britain have the option of

PARTICIPATING RATES of PREMIUMS, or of
 NON-PARTICIPATING RATES.

The Directors beg to announce that the Rates of Premium have been recently revised and re-adjusted in accordance with a long experience, and that the New Scale will be found very advantageous to persons desiring to commence assuring early in life.

The Non-Participating Scale is particularly adapted to parties wishing to assure a fixed sum only, at a fixed rate of Premium, and on low terms.

Premiums may be paid *Annually*, *Half-yearly*, or by a *limited number of Annual Payments*. The last-named mode of Assurance originated with this Office in 1816.

FIRE DEPARTMENT.

This Company undertakes the Assurance of almost every species of Property

in the United Kingdom, at Rates of Premium and upon principles which will be found quite as advantageous to the interests of the Assured as those offered by any other Office. The Directors can confidently refer to the well-known character of the Company for liberality and promptitude in the discharge of claims made upon it during the many years it has been established.

Renewals should be paid within fifteen days after the respective Quarter-days when they become due.

Tables of Rates, Forms of Proposal, and any information needful to effect Life or Fire Assurances, may be obtained on application to the Office, No. 92, CHEAPSIDE, London, or to any of the COMPANY'S AGENTS.

THE BUSINESS carried on by this Association embraces every description of Risk contingent upon Human Life, and combines all the advantages of the MUTUAL and PROPRIETARY Systems of Assurance.

The Policies of the Association are secured by a protecting Capital of ONE MILLION Sterling, subscribed by a large and influential body of Proprietors.

The PARTICIPATION POLICIES receive valuable periodical additions from the profits of the extensive business carried on, both in Scotland and England, and thus present a most advantageous mode of Investment for Family Provision, with entire exemption from responsibility. At last Investigation, a BONUS of TWO PER CENT. PER ANNUM was added to the sums assured. Thus, a Policy opened in 1840 for £2000 was increased, at Christmas, 1846, to £2280.

LOANS granted, on approved personal security, in connection with Life Assurance.

ANNUITIES and ENDOWMENTS on favourable terms.

THIS SOCIETY was the First Public Company established in Great Britain to obviate the inconvenience and defects of Suretiship by private Bondsmen, and its security is accepted by the Banks of England and Ireland, East India Company, and most of the Public Companies, Bankers, Commercial, and Trading Firms in the United Kingdom.

Persons of the highest character and qualifications frequently decline valuable appointments, either from an unwillingness to place themselves and their friends under so serious an obligation, or the great difficulty of obtaining satisfactory sureties; but the institution of this Society removes these difficulties.

The Guarantee Society undertakes, for a small yearly payment, to make good

to the employer *any loss by the fraud or dishonesty* of the person employed, according to the amount specified in the bond, and therefore obviates the necessity for Private Sureties, as well as the evils arising therefrom, which often prove as prejudicial to the real interests of the Employer as to the person finding the Guarantee of private friends.

Employers, by the existence of this Society, are assured of the continued solvency of the surety of the person employed, and the security thus becomes a permanent one.

Friends and relatives are relieved of the fear of those pecuniary losses to which persons are exposed who becomes responsible for the acts of others

Rates from 10s per centum per annum and upwards, according to the nature of the employment, or the amount of the Security required.

No charge is made for Stamp Duty, except in special cases; the usual legal expenses of Surety Bonds will therefore be avoided by persons who enter on their respective duties under the Guarantee of this Society.

A reduction is made in the Premium on the Sixth Annual Payment.
